**Name of Local Ministry Unit:** St. Marys Pastoral Charge (operating as St. Marys United Church)

**Address of Local Ministry Unit:** 85 Church St., S., P. O. Box 542, St. Marys, Ontario N4X 1B3

**Brief Description of Local Ministry (three sentences):** We believe that Jesus Christ taught us how to live; we follow the example in our concern for individuals and for the whole of society. At St. Marys United Church we strive to be the hands, feet and heart of Christ in the world. Coming together as a community of faith is more than just worshipping on Sunday; it is about being in service to the world.

Priority (#1 to #7)	Category Title	This is who we are as a Local Ministry Unit:
4	<b>Discipleship</b>	We have a specific goal related to discipleship as follows: We seek a leader that will encourage young and old to follow the teachings of Jesus with our words and actions. Education and exploring helps us develop and grow. Our Sunday School is active with a dedicated core of children and volunteers. Children are with their families for part of the service and depart the sanctuary for their own children’s church in the Sunday school department. Sundays with Communion and baptism children stay or return to the sanctuary to participate.
5	<b>Justice and Outreach</b>	We have a specific goal related to Justice and Outreach as follows: We believe in the importance of community development, working with other denominations and organizations in community programs, and how these actions put Christian faith into motion. We strive to put Christian faith into motion through both local and global projects. Twice per month community dinners are hosted in our fellowship hall. Food and labour is

		<p>provided by various churches, service groups, and restaurant and retail groups and individuals. The collaboration amongst the group is an amazing co-operative effort. This is an opportunity to break bread with others in our community and share a social time that nourishes the soul as much as provide a meal.</p> <p>Midweek or monthly discussion groups allow for open dialogue to express ideas, to learn and explore diverse opinions in a relaxed environment. In the past we tried Bible study, breakfast before Sunday service, Youth Group, Tuesday coffee hour with the minister, Burgers, Bible and Beer at local pub. Wells for Africa. Canadian Food Grains Bank, Grandmothers for Grandmothers-Stephen Lewis Foundation, Camp Bimini, Ryban Optometry team, Salvation Army Foodbank and nursing home services are examples of outreach projects that are ongoing.</p>
3	<b>Leadership</b>	<p>We have a specific goal related to Leadership as follows: We seek a individual who can deliver powerful educational, inspiring and relevant preaching that encourages people to live out their faith in the world we live in today. Our wish is to employ an individual who values traditional worship and is open to exploring new and possibly alternative ways. A good leader listens, learns from and gets acquainted with their congregants. Team building and skilfully balanced encouragement motivates members to give of their skills and talents. Enthusiastic participation is a catalyst to spark others to be involved and feel valued. An exceptional leader works with a diverse group creating a consensus toward a common goal.</p>
6	<b>Ministry Partnerships</b>	<p>We have a specific goal related to Ministry Partnerships as follows: Ministry Personnel will work together with the well-established support team currently at the church to share the love of God with the members of the church and throughout the community of St Marys. Our paid accountable staff consists of one full-time minister, one part-time Office Administrator, one part-time Music director, one part-time treasurer and a part-time custodian. We are fortunate to have a very dedicated loyal group of members on our church Council, Trustees, Choir, UCW, Region representatives and Sunday School. Local Ministerial Association meets regularly resulting in a good relationship with other denominations in town.</p>
2	<b>Pastoral Care</b>	<p>We have a specific goal related to pastoral/spiritual care as follows: Develop a strong sense of community among church members. Work with congregation to develop a plan for continued growth of the church. Pastoral visitation to members of congregation, especially elderly, hospitalized/nursing homes or housebound. Participate in community events organized and supported by church organization/membership. Provide spiritual support and preparation to individuals with regards to baptism, confirmation, funerals and marriage. Listen to individuals on a variety of confidential personal matters and provide spiritual support, guidance and professional referral as appropriate.</p>
8	<b>Spirituality Self Care</b>	<p>We have a specific goal related to Spirituality and Self Care as follows: Participate in the work of United Church through Region 8, Clergy Clusters , Church Council, Trustees, and other church related committees. Maintain a close open communicative relationship with Ministry and Personnel Committee and Council. Participate in inter-faith and interdenominational activities. Independent study and spiritual self-reflection and nurturing.</p>

7	<b>Stewardship</b>	<p>We have a specific goal related to stewardship as follows: Although we are not in a crisis situation we operate in a deficit from time to time.</p> <p>Reflecting on current methods of stewardship we have limited success-recruiting members to give of their time, skills and talents to committees and church administration. When 'asked' directly and for an individual one-time event, amazingly and consistently the congregation steps up to the task on hand. Like many churches and organizations we have fallen into the 'rut' of a small group of the same volunteers repeatedly doing all the work. In recent months we have worked toward home visits by elders to reconnect with members and adherents. Although this is not a primary role of a spiritual leader, we need a leader to help us seek a solution to build a network of recruits to forge a strong team to accomplish our goals.</p>
1	<b>Worship</b>	<p>We have a specific goal related to Worship as follows: Worship service held at 10:30, has tended to follow a traditional United Church style, which many members find comforting. Our scripture lessons and sermons are often based on the common lectionary and delivered by the minister. The Audio Visual system is used to project hymns, prayers, and responses. Power point, downloaded music and video clips can also enhance sermons, children's stories, presentations, pictorial memorials, etc. The system also has the capability to audio record services for families or can be posted to our church web site. Music and children are incorporated in our services as a fundamental aspect of the Sunday worship. The relationship between minister and the congregation is instrumental to encourage and motivate volunteers to participate. The congregation is treated to children's lesson (usually from the minister) prior to the children leaving for Sunday School. Sunday school sessions run from September until June with an attendance varying between 6 and 20. Our music director usually selects all hymns based on themes and texts provided by the minister. We are proud to have large and beautifully harmonious choir who provide inspirational anthems. Our hymn book of choice is Voices United, however we also regularly reach back into our heritage for some older gospel hymns as well as exploring newer music.</p> <p>Included weekly is a Minute for Mission update on behalf of the Mission and Service Fund, to help generate donations. Our closing prayer also includes 'Prayers for the People' submitted by attendees in the sanctuary and lead by the minister.</p> <p>Our services are followed by a time of fellowship in the church hall hosted by volunteer members of the congregation with coffee, tea, juice, cookies, squares or treats. This social time is an important bonding time for all in our church family.</p> <p>Baptism is held at various Sundays throughout the year dependent upon requests of the parents. The Sacrament of Holy Communion is celebrated during the service by mutual agreement between the minister and the Worship and Membership Committee of Council.</p>
