## Agenda

**Theme Speaker: Martine Creasor** is a “Circles Coach” and a “Bridges out of Poverty Trainer” for the Lambton County “Circles” program. “Circles” is a poverty alleviation strategy whose goal is to build relationships across socio-economic classes in an attempt to empower people and communities to thrive.

**Bible Study: Jill Rogers** began her career life as a Pediatric Nurse in Hamilton for 25 years which was followed by her call to ministry with the United Church of Canada. Over the next many years she served as an Associate, received her M.Div., and settled in Courtright Sixth Line Pastoral Charge. Jill added to her education by completing the Ontario Jubilee in Spiritual Direction, becoming a Reiki Master, and received a Certificate in Pastoral Family and Grief Counseling. She enjoys hiking, writing plays and children’s books and Mission work and mostly her 4 amazing grandchildren.

**Music Leaders: Allison McLaren** is a retired teacher/music teacher who attends St. Luke’s United Church in Sarnia. She has graced us with music programs for many Presbyterian Annuals. **Lynda Stinchcombe** is music director at St. Andrew’s United Church in St. Thomas. She is a retired elementary teacher and a life-long musician. **Noreen Scott**, our accompanist is a former member of Mandaumin United Church. Noreen has been active in music playing piano and organ for various churches in Lambton County. She has also accompanied Allison for those many Annuals.

**Entertainment: Sisters of Choice** are a trio of music-loving friends whose tight-knit harmonies are reminiscent of the Andrews Sisters, McGuire Sisters and Lennon Sisters. Their selection of music spans eight decades with much loved favourites. Some of the music is accompanied by the piano but their forte is a cappella music and much more.
