## Sorry for the long gap between issues

As many of you know Julie Kinkaid retired from her post as Mission and Service Fund Officer. Julie's last day was the 17<sup>th</sup> of January. Julie served in this position for 8 years and will be very much missed. We are happy to report that Julie is on contract to help produce the 2010 Bulletin Covers and Minutes for Mission.

On the 4<sup>th</sup> of March, Darren Liepold began as the new M&S Officer. An order of ministry person, Darren has served congregations in British Columbia and Ontario. Darren has been actively involved in the Toronto Conference Mission Support Committee, has served on the General Council Mission and Service Fund Advisory Committee, and also was on Toronto Conference staff in the role of promoting the Mission and Service Fund Committee.
