Summer

Summer is almost here. It's a time to rest, a time to play and a time to refresh your batteries.

But the work of your own congregation and the Mission and Service Fund continues on. Why not consider signing up with PAR. Pre-Authorized Remittance insures that your church is cared for in your absence. Contact your treasurer or email ms@united-church.ca for more information..

Our new Contest

Imagine a world in sepia tones. Not very exciting is it. Everything is in shades of brown. There is not a lot of contrast and diversity.

Now imagine the world with **Colour**. Its vibrant, alive and full of life. One can see variations and imagine the complexity of creation.

M&S adds colours to our lives. It allows us to push beyond the four walls of our church and reach out to the whole of God's creation.

To that end, we are having a contest. Called "COLOUR Your World With M&S," it asks people to think of ways that they might encourage gifts to M&S, by the use of **Colour**. Full details are available on our Mission and Service Fund Blog site www.missionandservice.blogspot.com

Contest closes October 31, 2009.

Look for these resources available in the next few months.

- The new Mandate magalog: Take a look at the redesign of this magazine which will talk of Mission and Ministry in Canada.
- The Mission and Service Fund Enthusiasts Letter.
- And for Christmas: The M&S Virtual Gift Catalogue.
