

*found myself inspired & energized. I consider
myself responsible for the founding of a
new congregation from scratch that in addition
has 1,300 members in less than 9 years and is still
growing. I consider myself fortunate to have
found this wonderful teacher, preacher, professor,
but most importantly servant of Christ and shar-
er of Grace. We are now breaking new ground.*

*Thank you so very much, Dr. Callahan's vision
and passion for mission has changed my life and
ministry. I was so excellent as a marathon runner
of a maintenance-parish. Now we are one of the
fastest growing congregations in the area we're in.*

Mission & Ministry

The Coming Three Years

Dr. Callahan returns to discuss possibilities for developing Strong, Healthy Congregations in the Immediate Future to which God is inviting us. This is the time to focus on 'Worship, Shepherding, Giving and Mission' given the state of the world in these changing times. You are especially encouraged to bring a group from your congregation that would like to think and talk about discovering where God is calling our faith communities. Seats will go fast and it's first come first serve. Mark these dates on your calendar and plan now to attend.
