

Are you a minister with vision, pastoral sensitivity, and a passion for outreach in the community? Do you have the energy to face challenges with us? If so, come evolve with us!

Sprucedale/Providence Pastoral Charge is seeking a full-time ordained, diaconal, or recognized designated lay minister, effective July 1, 2009. Our active two-point charge (one rural, one urban/residential) has two services each Sunday, and the congregants enjoy participation in many joint functions. We seek someone with strong leadership skills, a willingness to work in a team environment with friendliness, enthusiasm, and a sense of humour, and who can provide pastoral care with empathy. Can you be a leader who will guide and inspire us in our spiritual journey and help us to grow our presence in the community?

Chatham is in Southwestern Ontario, nestled between Lake Erie and Lake Huron. Therefore, there are many recreational opportunities on our doorstep, as well as the amenities of larger cities within an hour's drive (London, Sarnia, Windsor, and Detroit, MI). We have easy access to universities, community colleges, sport facilities, and various levels of entertainment venues.

We note that you have been at your present charge for several years, and wondered if you may be considering a change in pastoral relations. If you think we sound interesting, and would be interested in pursuing further, our JNAC report can be found on our website at www.sprucedaleprovidence.com.

To submit a resume, please contact me in confidence at cheryl.sprucprov@yahoo.ca or at my home phone in the evenings or on weekends at 519-351-0250. The position is considered "open" until the best candidate is found.

Yours in Christ's service,

Cheryl Crow
Corresponding Secretary
