YATS 2010

reCONNECT

May 28, 11:00am - May 30, 1:00pm

**Hellenic Community Centre
London, Ontario**

Young Adults in Transition allows young adults a meaningful way to connect with the United Church.

We meet other young adults in fellowship, discussion, laughter and fun. We attend regular sessions of London Conference as well as 'after hours' YATS community.

'YATs' (short for Young Adults in Transition) is open to young adults up to 30 years of age in university, college, employed and unemployed. The purpose is to enable Young Adults to continue their participation within the United Church and to encourage them to find their voice and remain active in their congregations.

The group will attend the regular sessions of London Conference as well as participate in its own community activities. *This year we are making a special effort to build community among the YATs group.*

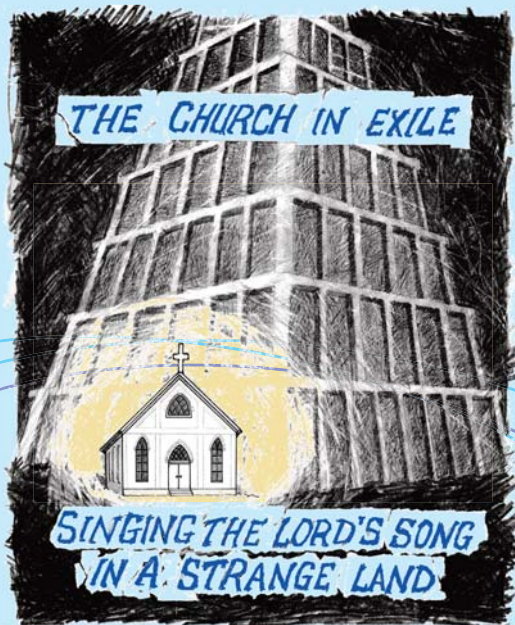

We will gather on Friday before 11:00 a.m. to welcome and meet each other and to get oriented to the Annual Meeting of Conference. We realize that not everyone's schedule allows them to be there Friday morning, but not to worry, we will try to be intentional about building our community throughout the Conference weekend.

Further details will be sent to you after your registration has been received.
