The Annual Meeting of London Conference includes worship, music, youth leadership, our children's Sunday morning presentation, presentations from our students to be ordained/commissioned, the Book Room, theme speaker, gathering over meals with new friends and old, the Celebration of Ministry service, setting future directions, deciding about mission and ministry priorities and doing the business of the church. And . . . much more! Our agreement with the Hellenic Centre is \$85 per person which includes facility and meals. The cost of providing our Annual Meeting is approximately \$170 per person. Half of that cost is covered by the Conference budget. We are asking Pastoral Charges to pay the other half per person for their ministry personnel and Presbytery delegate(s) when they register. Some delegates may wish to pay the \$85 on behalf of their Pastoral Charge. These delegates will be eligible to claim a charitable donation receipt from their congregation.

Price includes taxes & gratuities
