* NEW FEE STRUCTURE FOR 2012

London Conference has a long history of providing affordable Faith Formation programs for youth. Financial support from London Conference through the Mission and Service Fund helps keep fees down despite rising program costs. The actual cost per attendee is considerably higher than what we currently charge.

Realizing that families have different incomes, we are now offering a completely voluntary Three Tier Pricing System. Families choose the tier that is most suitable for their family. The Tier System allows us to continue to offer our same low fees for programs, while helping people learn the true cost of the program. The more families that contribute to Tier II or Tier III allow us to offer more financial assistance to those in need as well as enhance the program.

FEE CHOICES FOR YOUTH FORUM 2012:

Tier I - \$120.00

historically subsidized rate and does not reflect the true cost of the program.

Tier II - \$140.00

partially subsidized fee for those who can afford to pay a little more.

Tier III - \$160.00

more closely accounts for the actual costs of the program.

This pricing system is voluntary, and the Tier chosen is kept confidential.

As always, if you have questions, please contact Betsy Exley, Faith Formation Youth & Young Adults Minister for London Conference.
